Please note / collisions:

- **Wednesday:** «Nature and Science / Education for sustainable development» **collides** with «Music Methodology pi 1» in the first half of the semester. Please decide which you want to attend. «Studying abroad - stretching boundaries - teaching diversity» **does not collide** with «Communication: From Theory to Teaching Practice». Both modules can be chosen.
- **Thursday:** «Oral Communication in School 2» **collides** with «Teaching and Learning Music 5». Please decide which you want to attend.
- **Friday:** «Physical Education and Sports Methodology» and «Special Needs Education» **collide** with «Switzerland – Nature, Culture and Society» (seminar and excursions, offered by PH Zurich). Please decide which you want to attend.

Bilingual modules have a certain amount of German language but most of the work will take place individually or in small groups with English as the working language. All relevant materials will be available in English.
