

STUDENT ACCOMMODATION

2025/2026

Your new home

Starting university for many people means moving out for the first time. While this is an exciting experience, we understand it can also be a daunting one, so we are here to help make the transition go as smoothly as possible.

Our university-managed accommodation is situated across our Chichester and Bognor Regis campuses as well as in the city of Chichester. We offer rooms to suit all budgets and lifestyles including catered or self-catered, ensuite or shared facilities and on or off campus.

Our accommodation varies from on campus traditional student halls of residence to new student accommodation villages in the centre of Chichester. Our halls of residence and university accommodation are professionally managed, secure and supported by our team in the Accommodation Office 24/7.

All of our rooms and facilities are comfortable and well equipped – we also include internet access, heating, electricity and basic contents insurance in the rent. Please see our website for further information on the internet access supplied in our bedrooms and whether the connection is WiFi only or wired (via an ethernet port).

We are confident that you'll find a room and options that suit you.

All our accommodation is professionally managed to the ANUK Code of Standards:

Living in university-owned and managed accommodation is a popular experience and it makes it easier to meet other students and make new friends. You may find you meet people from other courses and develop good friendships within days of settling into your accommodation.

To help this process there are many activities and events throughout the year which will give your social life a real boost! On campus everything is close by, which helps minimise your travel experiences.

Types of accommodation – what are your options?

On Campus

Both our campuses have on-site accommodation, which can enable a reduction in commuting time, and means you have everything in one place. Some people really like this option for its convenience. There is a mixture of ensuite bedrooms, or rooms where the bathrooms are shared with others. There is also a choice between catered accommodation and self-catered (see further details below).

Off Campus

We have off-campus managed properties throughout Chichester and Bognor Regis. Some of our properties are larger student villages near conveniences like supermarkets, restaurants and entertainment. We do have smaller properties with more of a residential house layout and feel to them. All our Chichester off-site managed properties are within a 30-minute walk of the campus, with the Bognor off-site accommodation located within a short 10-minute walk of the Bognor Regis campus. The accommodation is self-catered with a fully furnished kitchen and communal area. Some of our managed properties have bus links to the local campus with onward connections to the alternative campus – please check our website for further information about transport options available to you and more.

Ensuite

These rooms include single occupancy bedroom space and come with your own bathroom – toilet, sink and shower.

Shared bathroom

These rooms include single occupancy bedroom spaces where you will share a shower and toilet block with your flatmates. There are multiple toilets and showers per flat.

Catered

All accommodation on the Bognor Regis campus, and most of the rooms at the Bishop Otter campus are catered. This means that, as part of your rent, you will be provided with a daily allowance to spend in the catering facilities at either campus. You will have £9.10 per day Monday to Friday, and £4.50 per day at weekends. A brunch service is provided during reading weeks and

inter-semester weeks; there is no catering service during the Easter and Christmas vacations but this is factored into the annual accommodation fee.

There are also communal kitchen facilities available in all halls, should you wish to use them at any time.

Self-Catered

In self-catered accommodation you can cook for yourself in the communal kitchens.

Each kitchen will have a hob, oven, microwave, refrigerator, freezer, kettle and toaster. No cooking and eating equipment/utensils are provided so you will need to bring your own.

Quiet Block

Although many students enjoy the social aspect of university life, some prefer to be allocated a room in a quiet block. If this is something that appeals to you we do have rooms that cater for this requirement at Fishbourne Road East.

Adapted Rooms

We have a range of adapted rooms for students with disabilities. Most are single rooms with large ensuite wet rooms and are sold on a catered or self-catered basis. We are happy to discuss individual housing requirements and would encourage you to contact our Disability and Dyslexia Service at an early stage. This will enable us to allocate accommodation to suit your requirements.

Other useful information

All shared facilities will be shared between no more than seven people. In some of the blocks you may only be sharing with four other people.

Due to lack of parking facilities we are unable to offer parking to students living on campus. If you are allocated accommodation off campus you may be able to purchase a designated parking permit. Residents at Fishbourne Road East or Stockbridge are not permitted to bring a car into the city due to planning restrictions.

“I lived in Harting Hall which is an on-campus, en-suite self-catered room. It was really handy for getting to morning lectures, I would be able to enjoy a coffee in my PJs until about 10 mins before! The rooms are a good size and it is a brilliant hassle-free base to have. I really enjoyed meeting my roommates and although not on the same course, I'd hope to stay in contact with them throughout my time in uni and beyond.”
